Subject: FAA STC SA4366WE - Italian Validation.

Reference: Flint Application 23 March 2001

Dear Sirs,

according to the existing Bilateral Agreement between USA and Italy, and following satisfactory accomplishment of ENAC evaluation, we wish to inform you that the FAA STC SA4366WE amended on 7 September 2000 can be considered validated in Italy.

Please consider ENAC in the mailing list for "Continued Airworthiness" and forward the relevant information (changes to the "Variations, introduced by the STC, of the Instructions for Continued Airworthiness", Service Bulletins, etc.) to:

ENAC/Servizio Manutenzione e Produzione

Via di Villa Ricotti, 42

00161 ROMA - ITALY.

Yours faithfully
